STATINTL MEMORANDUM FOR:
Deputy Director for Community Affairs

STATINTL FROM:

SUBJECT: DCID 1/14 Appeals

1. In your memorandum of 25 September 1980, you said that you wanted a clear statement that the appeals procedures should not be proposed as an annex to DCID 1/14 at this time.

2. As the Investigative Standards Working Group had already voted otherwise, I leave that statement to you because you can put it into your own words better than I.

STATINTL
